Reviews & Testimonials

Wolmido New Cosmos Cruise

We took the cruise during our family trip to Wolmido on Children's Day. There were special events like a bubble show and a magic show, and the kids were amazed—adults enjoyed it too! We went up to the deck to see the seagulls and even fed them shrimp snacks. It was such a great experience. I definitely recommend the cruise as part of your trip!

Wolmido New Cosmos Cruise

I visited with my family and had a much better time than I expected—it was truly enjoyable and satisfying. On the 3rd floor, we could enjoy the outdoor view and feed the adorable seagulls. The 2nd floor featured live performances and had a well-stocked snack bar, and the main stage on the 1st floor was spacious and great for watching shows. There were three of us this time, but next time I'd love to come back with my eldest daughter. It was such a memorable experience!

I went on the cruise with my mom—I didn't expect much at first, but it turned out to be such a satisfying experience. It felt like all my stress just melted away~ It made me want to ride again next time. Honestly, it's the kind of place I'd come to even alone when I need to unwind. Highly recommended!

Wolmido New Cosmos Cruise

We visited Wolmido for our 1st wedding anniversary!
The staff even called us when our reservation time was approaching—such a thoughtful gesture. The crew was very attentive during boarding, constantly reminding everyone to watch their step—really appreciated the care.
Onboard, we enjoyed the classic music playing from the snack bar, and the atmosphere was amazing. Even with the wind and waves, the cruise was incredibly stable—no motion sickness at all! My wife was extremely happy too.
Thank you for giving us such a special memory!

Wolmido New Cosmos Cruise

It was such a great experience.
Actually, I had been on this cruise once before with my parents and loved it—and this time was just as satisfying, if not more!
I was worried we might not get seats because the line was so long, but the cruise was big enough that there was plenty of room for everyone.
I leave with another wonderful memory!
